My First Bitcoin

Bitcoin Diploma 2026

How do we scale Bitcoin education for the world?

NotebookLM

Why Evolve?

Is your curriculum a bridge or a barrier?

Legacy Version (Long / Dense)	v2026 (8-Hour / 4-Block)
	

NotebookLM

Fixed Anchors

What remains when everything else changes?

The mission is immutable. The delivery is upgrading.

NotebookLM

The 8-Hour Path

Modular, practical, and scalable.

Modular Framework

4 self-contained blocks. Core, Custom, and Advanced separation.

Practical Application

PPP Method integrated: Presentation, Practice, Production.

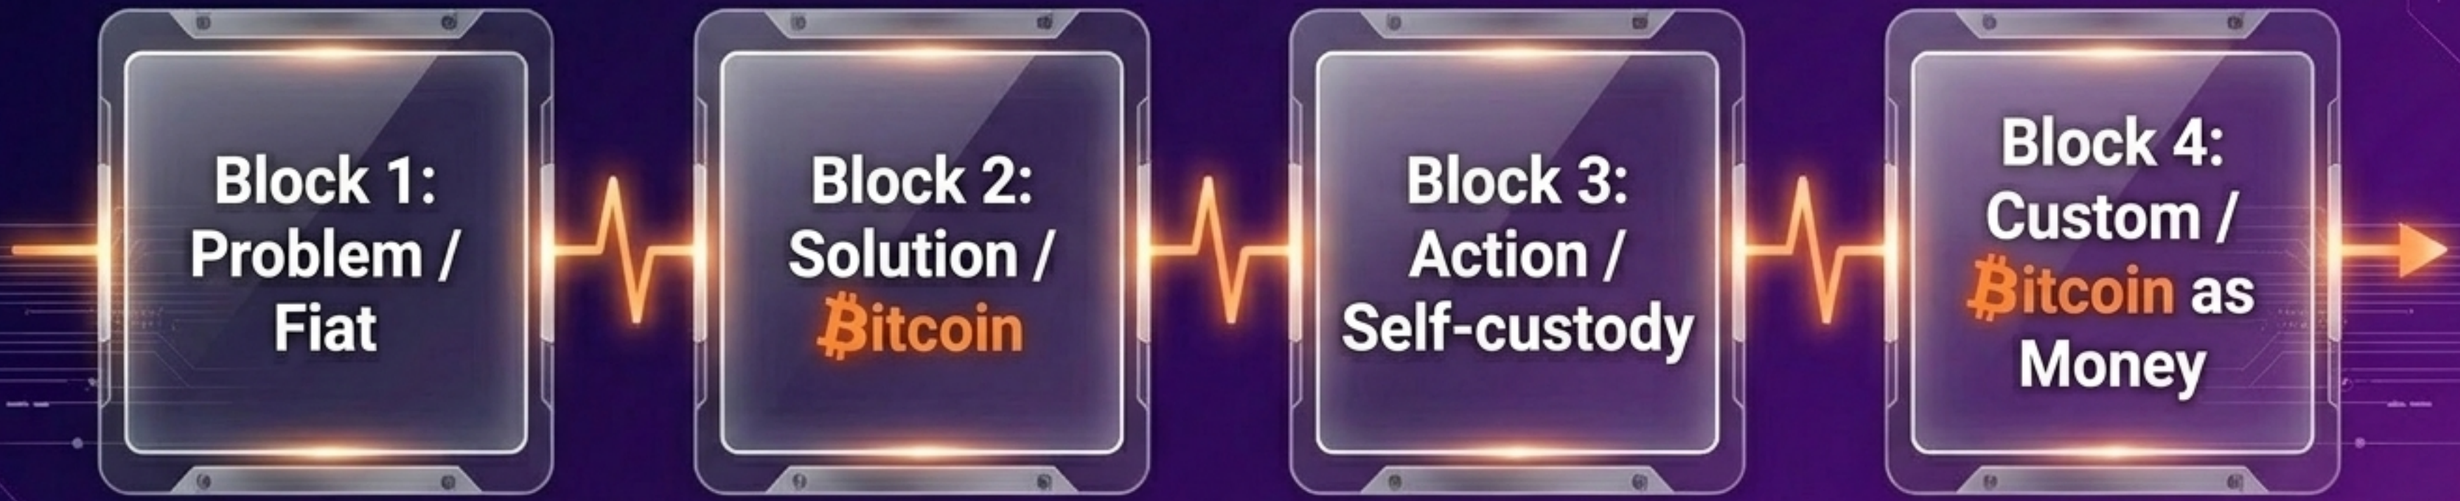

Educator Usability

Reduced friction. Clearer pacing. Built for the real world.

NotebookLM

The 4-Block Story

A step-by-step path from realization to action.

What is broken?

Why does this exist?

How do I take responsibility?

How does this work here?

NotebookLM

Local Choice

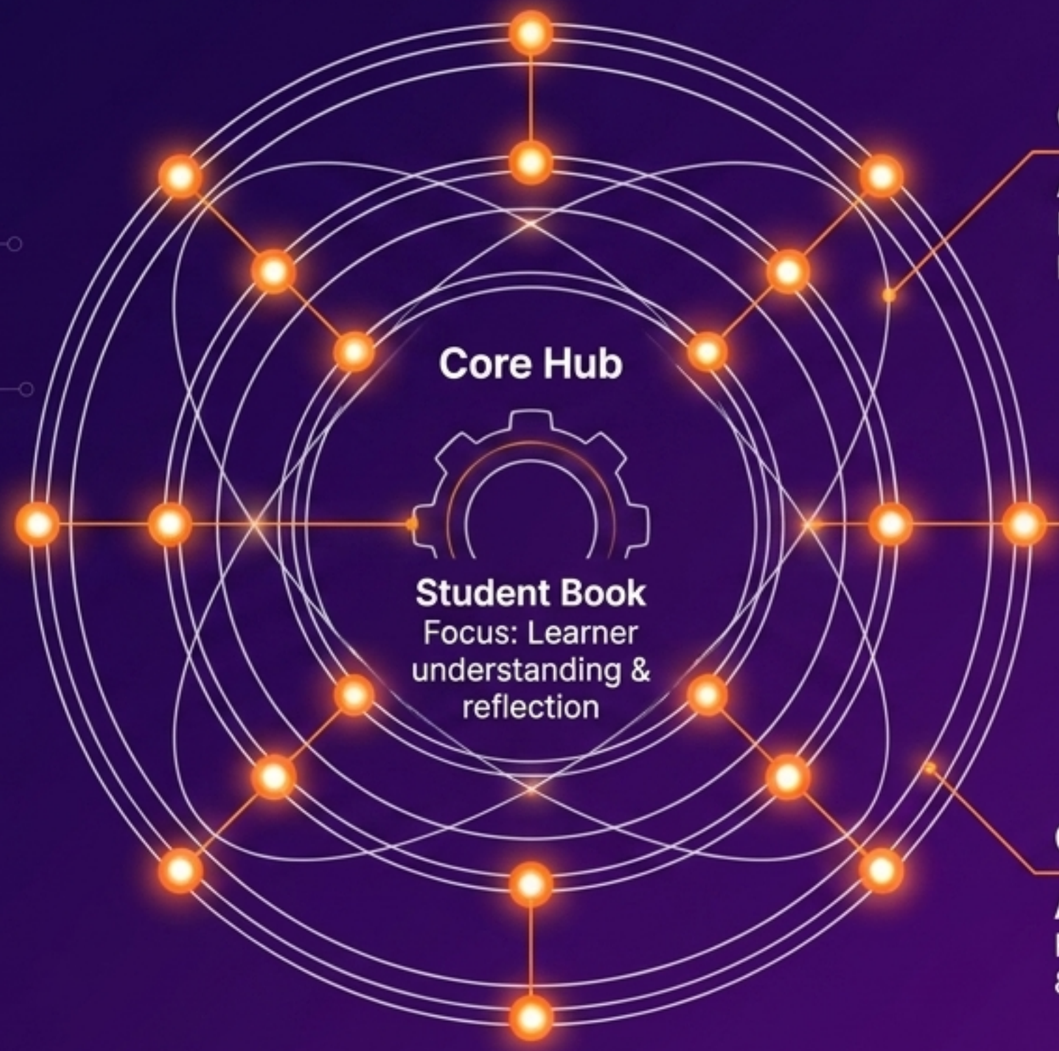

Who knows your community better than you?
